EDUCATION

Isparta University of Applied Sciences

Bachelor of Science in Mechatronics Engineering

Isparta, TR | Expected 2027

Istanbul University

Bachelor of Science in Management Information Systems

Istanbul, TR | Expected 2028

PROJECTS

Voice-to-Text Education App

Built a mobile app that converts speech to text and generates AI-based summaries, flash-cards, and quizzes. Enhanced studying efficiency with speech recognition and AI-based content generation.

Hanova on Google Play

Prompt to PDF

Created a ChatGPT plugin that converts LaTeX texts, formulas, and equations into professional PDFs. Ensured accurate formatting for technical and academic documents.
